Selvakumar Natesan et al. Application No. 10/632,950 Filed: August 1, 2003

Art Unit 1626 Examiner: G. M. Shameem

ATTACHMENT TO PETITION FORM PTO/SB/64

It is believed that the subject application became abandoned on May 9, 2006 for failure to pay the issue fee. Following is a statement of the facts relating to the nonpayment, as determined by the undersigned from reviewing the file for this application that is present at Dr. Reddy's Laboratories, Inc.

Responsibility for prosecuting the subject application was transferred from the firm Ladas & Parry to the Patent Prosecution Group of Dr. Reddy's Laboratories, Inc. during August 2005. Milagros A. Cepeda, an attorney at Dr. Reddy's Laboratories, Inc., was given responsibility for further prosecution at that time. Ms. Cepeda mailed an amendment on December 21, 2005 in response to the Office Action dated June 21, 2005, and then supplemented that amendment with a facsimile transmission on February 3, 2006, following a telephone conversation with Examiner Shameem.

The Notice of Allowance (Form PTOL-85) was dated February 8, 2006 and the copy that is present in the Dr. Reddy's Laboratories, Inc. file for the subject application has a date stamp indicating receipt by the Ladas & Parry firm on February 13, 2006. However, there is no stamp showing a date of receipt by Dr. Reddy's Laboratories, Inc., and there is no transmittal letter in the file, so the undersigned is not able to determine how, when, and to whom the document was forwarded by Ladas & Parry. Further there was no entry of dates relating to the Form PTOL-85 in the Dr. Reddy's Laboratories, Inc. computer docketing system, prior to expiration of the term for issue fee payment.

The matter of an issue fee payment being due apparently was not recognized until receipt of the PTO's communication dated June 2, 2006, which was sent in response to Ms. Milagros' facsimile-transmitted amendment. Dr. Reddy's Laboratories, Inc. received this communication from the Ladas & Parry firm on June 14, 2006, as indicated by the date stamp. Another date stamp indicates that Ladas & Parry had received the document on June 12, 2006.

Copies of the first page of the PTOL-85 form and the cover page from the June 2, 2006 communication are attached.

A request to change the mailing address for future communications, so that Dr. Reddy's Laboratories, Inc. will receive the communications directly, is being submitted separately. If communications are received directly, it is expected that the established internal procedures for recording the receipt of official communications and entering dates for taking action into the computer docketing system will be observed.

The petition fee under 37 C.F.R. § 1.17(m) in the amount of \$1,500.00 should be charged to **Deposit Account No. 50-3221** in the name of Dr. Reddy's Laboratories, Inc., and a duplicate of this page is enclosed for that purpose.

Respectfully submitted,

Robert A. Franks Reg. No. 28,605
